Welcome to 2017

Welcome to a new school year! I trust that the start has been positive and productive for all members of the Chairo Christian School community.

It is a real privilege to have commenced in my role as the new Executive Principal at Chairo. I am very pleased to report that my predecessor Rob Bray and his wife Sharon have made a strong transition to southern NSW where Rob is now Principal at Nowra Christian School.

My wife Veronica and I have loved our move to West Gippsland over the summer. After 27 years in Tasmania, I have ‘returned home’ to Victoria and am thoroughly enjoying settling into my new position. For the past nine years, I have served as the Chief Executive Officer of Christian Schools Tasmania, which operates four schools across Hobart.

I have been struck by a number of very exciting things as I have commenced settling in at Chairo. Firstly, I have been extremely pleased (and very blessed) by how welcoming colleagues, families and students have been. This is a wonderful quality in any community, but especially in a school. If you are also ‘new’ to the Chairo community, I trust you have also been made to feel very welcome and valued.

It has also been delightful to experience the passion of those working across our campuses. Whether it was people renovating and refurbishing buildings, preparing notices, lists and forms, or turning up to start-of-year professional learning, there has been a tangible sense of excitement and purpose. People seem genuinely committed to and passionate about serving within Chairo. Again, I trust that you have had the opportunity to experience this vital quality in the staff members that you have already met this year.

I have also been impressed by the preparedness of everyone for the start of a new school year. From early January, our schools have been busy places with people getting learning spaces and technology and timetables and equipment ready for the return of students and families. Equally, it was delightful to see so many students, many with families in tow, turning up on the first day with uniforms, bags, books and attitudes ready for a new year. How exciting to see everyone across our community being prepared for a great start!

It has been a delight to see students—from Kindergarten to Year 12—turning up ready to learn. I have no doubt that they were also excited about seeing friends again and playing around the beautiful grounds that we have, but as I spoke with and watched students, they were genuinely ready to commit to another year of growing and learning. This is a credit to the parents and carers who have provided rejuvenating, restful opportunities over the recent well-earned breaks, and have also prepared students physically and emotionally for a positive return to school. Well done!

And finally, it has been humbling to see staff members and families working in partnership to show Jesus to our students. This has happened as people have greeted, and shared, and cared, and prayed, and worked and served together. It is a privilege for me to be in a community that takes seriously this command to ‘love each other’, and in doing that to show Jesus to each other and the watching world—including our students!

I would love the opportunity to meet families more personally. I hope to be able to do that by participating in a number of events at each campus, and would certainly welcome the opportunity to speak with all families about their experience of Chairo.

I hope to be able to catch up in person over the coming weeks and months.

Simon Matthews, Executive Principal

Outlook 2016

The end-of-year magazine for 2016 has arrived from the printer today and copies will be distributed by the middle of next week to all 2016 families via the eldest child in each family.

Parent Access to Linc

New parents should recently have received login information for Linc, our learning management system. An email was also sent last week to all parents regarding how to access Linc if you don’t know your username or password.

Remember, there’s a link to Linc on the school website. If you’re having any problems signing into Linc, please contact Leslie Borg at the Drouin Campus (lborg@chairo.vic.edu.au).

In addition to all of the teaching and learning information, and details about the work requirements and progress of your children, parents will need to use Linc to read important news, book parent/teacher interviews via PTO, find canteen price lists, etc.

Chairo Buy, Swap, Sell

We have recently launched a Buy, Swap, Sell group on Facebook specifically for Chairo families. The group functions as a collective place to advertise second hand uniform items, text books and general school supplies. It is also a great place to find something that your child may require. The group can easily be found by simply searching for Chairo Buy, Swap, Sell on Facebook.

From the Senior Chaplain
Welcome back for 2017, and to our new families, welcome for the first time! I pray that God will use Chairo in 2017 to bring your child into a deeper relationship with God through His Son Jesus, the Saviour of the world.

I love teaching students of all ages about ‘teaspoon prayers’. Teaspoon prayers are a very simple way of helping students to structure their prayers. In recipes, ‘teaspoon’ is shortened to TSP:
• T is for thanks. We begin our prayers by thanking and praising God – for who He is, for what He’s done, for the specific blessings in our lives and for Jesus, through whom we can come to God as our perfect Heavenly Father.
• S is for sorry. We confess our sin to God and admit that we have rejected Him, ignored Him and fallen short of the standard that he requires of us.
• P is for please. We ask God for the things that are on our heart, taking care not only to ask God for things concerning us directly, but to pray for others as well.

Of course, there are other models of prayer that are equally helpful, but I love teaspoon prayers for their simplicity. Everyone from Prep to Year 12 can benefit from remembering TSP in their prayers.

This leads me to invite you to our Parent Prayer Groups for 2017! We would love you to join us for parent prayer at Leongatha or Drouin on Mondays, and Pakenham on Tuesdays. Arrive when you can, leave when you must. If you have young children, you are more than welcome to bring them with you.

Whether you come to our parent prayer meetings or not, thank you so much for your prayer support for Chairo in 2017! The prayer of a righteous person is powerful and effective. James 5:16

A Note from Judy

Welcome everyone to the start of the 2017 school year! We especially welcome our new staff, students and families and trust that it won’t take long before you feel part of the Chairo community. We are excited to be partnering with you in the education of your children; to help them reach their full potential and to empower them to make a difference in the world.

At Chairo, we are committed to getting better at what we do. We value your feedback and appreciate your suggestions for improvement and encouragement for what we are doing well. Please remember, if concerns arise during the year, to contact the most appropriate person (often your child’s teacher) so concerns can be addressed before they grow. In our experience, courteous, timely communication is the key to resolving issues effectively.

May 2017 be a year when you and your family flourish as part of the Chairo community.

Judy Linossier, Drouin Campus Principal

New Parents Coffee and Dessert Evening

Parents who are new to Chairo this year and have children at the Drouin and/or Drouin East campus should have just received an invitation (or it may be about to arrive) to a special evening being held at Drouin East on Tuesday 21 February at 7.30 pm.

This relaxed and largely informal evening will provide a wonderful opportunity for new parents to meet each other, together with the Executive Principal, Board members, Campus Principal, Heads of School and others.

If you haven’t received an invitation by the end of this week (and you would like to attend), please contact Caroline Weatherhead at the Drouin Campus (cweatherhead@chairo.vic.edu.au). For catering purposes, everyone planning to attend is asked to reply to Caroline by Tuesday 14 February.

Bushfire Plan

It’s a good idea at this time of the year for all families to be familiar with Chairo’s procedures for dealing with the risk of bushfire. Information can be found in the Community section on the school website.

Hats

A friendly reminder that Chairo has a clear Sun Protection Policy, which stipulates that hats are compulsory for all students in Terms 1 and 4.

Drouin Student Drop Off and Pick Up

In order to ensure the safety of all students, parents are asked to take great care when using car parks—especially at peak times before and after school. There should generally be quite a few short-term parking spaces available on the south (building) side of both the sealed central car park and the gravel Middle School car park.

Please do not double park. Also, please do not use the bus loop or the small sealed car park just to the left as you enter the central car park.

Parents choosing to use the new gravel eastern car park to drop children are asked to park in a bay before children exit the vehicle. Younger children should be escorted as far as the bus loop or beyond. Please follow the signage to ensure safe pedestrian access around the construction site for the new performing arts centre.

Year 7 Immunisations

Please note that immunisations for Year 7 students will be held on the following dates from 9.15–11.00 am:

- Wednesday 22 February: first dose Human Papillomavirus vaccine (HPV) + Boostrix (Diptheria-Tetanus-Whooping Cough Booster)
- Wednesday 3 May: second dose HPV
- Wednesday 16 August: third dose HPV + Chicken Pox

Immunisation cards were sent home in the end-of-year packs and need to be signed and returned to Central Administration urgently, if you have not yet done so. For any queries, please contact Reception on 5625 4600.

Drouin Music Rehearsals 2017

As part of the music program at Chairo, students have the opportunity to take part in regular rehearsals and performances in the Concert Band and the Choir.

The Concert Band is conducted by Sarah Considine (our Woodwind Tutor) and will rehearse on Wednesday mornings from 8.15 am. The Choir, led by Danielle Green, will rehearse during Tuesday lunchtimes. If your son or daughter is interested in one or both of these groups, they may come to a few rehearsals to see if it’s for them, and they are more than welcome to talk to me about it at any time.

Junior School News

A Note From Janet

A big welcome back to all our students and families at the Drouin East Campus.

We trust that God has kept you safe over the holiday break and blessed your family with some special memories. It was lovely to see so many families attend the family picnic last Friday evening. It was a relaxed night of fun and fellowship with families mingling over a picnic tea.

This term, we are happy to welcome Sheridan Fairfull, Year 1 teacher; Kate Watson, Year 1 teacher and Lynne Schmidt, Years 2–3 teacher. Teachers have already spent many hours in the past few weeks setting up their classrooms. They are very excited about getting to know students and families over the next few weeks.

Eleanor Brewer has changed roles this year. Instead of teaching one class, she will be our Specialist Music teacher for one day a week. Eleanor will teach six of our nine classes, ranging from Prep to Year 4.

We have many things planned this term, including swimming lessons (Years 2–4), a worship service, the SOAR program, a variety of sporting events and a number of classroom activities. Our usual assembly, held on Mondays at 2.30pm will begin on 27 February when swimming lessons have finished.

Please know that you are welcome to come and see me at any time if the need arises. I will try to make myself available at our Chairo Café sessions on Friday mornings, so please introduce yourself to me.

Janet King, Head of Junior School

Parent Teacher Interviews

We conduct Parent Teacher Interviews in Terms 1 and 3 to allow parents the opportunity to meet and talk to their children’s core teachers, and to discuss their children and how they are progressing.

This term, interviews at Drouin East will be taking place on Thursday 9 February from 3.30–5.30 pm and on Tuesday 14 February from 3.30–8.30 pm.

All families should have received their login details for Parent Teacher Online last week. If you have not received your details, please make sure that you contact Reception as soon as possible.

Canteen

The canteen at Drouin East will operate each Friday in 2017. As they say, many hands make light work! If you would like to help out, please contact Rachel Ball on 0403 822 845. An updated price list is attached to this newsletter, and can also be found on Linc.

Start of Year Information

Satchels

Preps and other new students should have received their satchels by now. These are great for take-home readers, homework and notes from school. Please look after them and perhaps develop a routine to make sure they come to school each day.

They are intended to last for the duration of a student’s time at Junior School. If your child’s satchel is misplaced, you are able to purchase a new one for $5.00 from the office.

Afternoon Busing

At Drouin East, we have a system for busing. In the afternoon, the teacher on bus duty marks off each student that catches a bus.

If your child catches a bus, we expect them to be on the bus in the afternoon unless we receive notification from you, ideally before 1.30 pm. If we do not hear from you, then we will assume your child is to get on the bus each afternoon.

Signing In And Out

Any parents or visitors coming into the school must first sign in at the office and obtain a badge. This is to comply with emergency procedures and for the safety of both yourself and students.

Any students who are late to school (i.e. arrive after the 9.00 am bell) must be brought to the office to receive a late slip. Also, if you are picking up your child before the 3.15 pm bell, students must be signed out at the office before they are collected from class.

Absences

If your child is absent from school for any reason, notification from the parent or guardian on the day is required by the office. Written notification of the absence is required upon the return of the student to school.
Afternoon Transportation Arrangements
The bus loop and drop-off areas are strictly no standing zones. Please do not park and leave your car in these areas at any time. Note the new ‘Stop, Drop and Go’ sign.

Our assumption is that parents will only pick up their own children. If you are picking up someone else’s children or are having your children picked up by someone else, the office needs either written or verbal notification of the arrangements. Legally, we cannot release children into the care of non-custodial adults without the written or verbal consent of the guardians.

Car Park Safety
It is important to remember a few things:
• There are many young children moving in and around our campus at all times. As we know, children can be unpredictable and do not always look where they are going. At times they may run off impulsively, even when under supervision.
• The speed restriction in our car park is 10 km/h. Whilst this may seem slow, please keep to it at all times.
• Even though drivers are aware of other cars when backing out of a car park or pulling out of the drop-off zone, we need to be particularly aware of pedestrians.
• Please focus on your driving whilst picking up and dropping off your children. Make it clear to them that they are not to approach your car until you have safely parked.

The car park is a busy place, so please take the extra time to ensure all children and parents are safe and cared for.

Middle School News
A Note From Annette
Welcome back to school and to 2017. We are off and running and the students seem to have started well, with new students settling quickly and our existing cohort getting into familiar routines.

I’d like to remind parents to make sure you have booked a parent/teacher interview with core teachers. We have had a few hiccups with the PTO system this year, so please don’t hesitate to contact Bill Anderson in the Middle School Office if you need some help with the booking process.

Thank you to the many parents who came along to the ‘In the Know’ sessions on Tuesday night. We had an incredible 100% attendance from Year 7, and this means that every Year 7 student has also been well-trained in digital discipleship. The device rollout went well and all students now have their PLDs.

The annual Ficifolia Festival street parade takes place from 5.00 pm this Saturday, and we would love as many Middle School students as possible to be involved. Please take a look at the information sent out recently.

Friday is our Swimming Carnival, so please make sure students arrive at school in their sports uniform with plenty of food and drink, a hat and sunscreen. They may bring house-coloured accessories to add to their sports uniforms if they wish. If there are any students who want to walk home from the pool on the day, they will need a signed note from a parent to clarify the arrangements.

The last big thing to remember is that we have school photos on Monday. Students are required to be in full, correct summer uniform, and girls must have their hair tied back. Order forms and instructions have already been sent home with students.

Annette Martin, Head of Middle School

Senior School News
A Note From Sharon
As the new Head of Senior School, it is my pleasure to welcome our students, families and staff members to a new year. The year promises to be both busy and rewarding, with many learning opportunities, activities and programs ahead.

I take on this new position following many varied roles across the education sector, most recently as a coordinator at Flinders Christian Community College in Traralgon. I am excited about what the future will bring, as we continue to expand our Senior School, and further grow our capacities to deliver learning programs of the highest quality.

I have been humbled by the warm welcome extended to me and my family as I settle into my new role, and my daughter into Junior School, here at Chairo. My husband and I have lived in the area for nearly ten years and we are so pleased to call this wonderful place ‘home’. We make the most of the many places to walk our dog, ride bikes, go for a drive, and visit Drouin’s lovely cafes.

I would like to take the opportunity to wish all our students and families a wonderful year. May we honour God with our words, thoughts and actions.

Sharon Gordon, Head of Senior School

House Swimming
The Senior School House Swimming Sports are on Tuesday 14 February, at the Drouin Outdoor Pool, from 10.00 am to 3.00 pm. Students are to arrive at school in their sport uniform, and then may change into house-coloured attire. Parents are welcome to come along.

If you are taking your child home from the pool, or allowing your child to walk home, please send a note along with your child. Hot food and drinks will be available for purchase on the day.

Middle School Production
Students are invited to sign up for auditions for the upcoming Middle School production of A Little Princess. If your son or daughter is interested in trying out, they will need to sign up by tomorrow (Friday) morning at the latest. The sign up sheet and copies of the script for the auditions are with Mr Anderson in the Middle School Office. Auditions will take place on Tuesday 14 February and the audition list will be posted on the Middle School Noticeboard as soon as possible so that students are aware of their audition time. Rehearsals for the production will be on Wednesday afternoons and more information regarding this will be sent home to cast members following the auditions.

Sport Permission Forms
If you have not yet returned the Sports Permission form, please do so as soon as possible. This form allows students to travel on buses to events such as the House Swimming Carnival, as well as to venues including the Drouin and Warragul tennis courts. There were a couple of dates that had to be changed, so we have sent out a new table with the updated dates. If you have not yet received the updated list, please collect another one from the Office.
Community Noticeboard
Yooralla Carers Required
Have you ever considered becoming a carer? Yooralla’s Family Options Program is currently recruiting carers who are able to provide part-time, full-time and respite care in their own home for children and adults with disability.

You don’t need previous experience and carers come from a range of backgrounds. As a carer, you receive training, are provided with 24 hour on-call support and receive a tax-free reimbursement. All carers are screened and assessed before accreditation.

Carer training sessions are free and are now being held across Gippsland. To register, or find out more about becoming a carer, call 9916 5765 or email familyoptions@yooralla.com.au.

Bunyip Soccer Club Registration
Junior boys and girls (U7s – U16s), including all previous and prospective players, are invited to attend one of two registration days to be eligible to play the 2017 season. Registration will take place at the Bunyip Soccer grounds on Sunday 19 February from 10.00 am – 12.00 pm, and Wednesday 22 February from 4.00–6.00 pm.
