Welcome to a new school year! I trust that the start has been positive and productive for all members of the Chairo Christian School community.

It is a real privilege to have commenced in my role as the new Executive Principal at Chairo. I am very pleased to report that my predecessor Rob Bray and his wife Sharon have made a strong transition to southern NSW where Rob is now Principal at Nowra Christian School.

My wife Veronica and I have loved our move to West Gippsland over the summer. After 27 years in Tasmania, I have ‘returned home’ to Victoria and am thoroughly enjoying settling into my new position. For the past nine years, I have served as the Chief Executive Officer of Christian Schools Tasmania, which operates four schools across Hobart.

I have been struck by a number of very exciting things as I have commenced settling in at Chairo. Firstly, I have been extremely pleased (and very blessed) by how welcoming colleagues, families and students have been. This is a wonderful quality in any community, but especially in a school. If you are also ‘new’ to the Chairo community, I trust you have also been made to feel very welcome and valued.

It has also been delightful to experience the passion of those working across our campuses. Whether it was people renovating and refurbishing buildings, preparing notices, lists and forms, or turning up to start-of-year professional learning, there has been a tangible sense of excitement and purpose. People seem genuinely committed to and passionate about serving within Chairo. Again, I trust that you have had the opportunity to experience this vital quality in the staff members that you have already met this year.

I have also been impressed by the preparedness of everyone for the start of a new school year. From early January, our schools have been busy places with people getting learning spaces and technology and timetables and equipment ready for the return of students and families. Equally, it was delightful to see so many students, many with families in tow, turning up on the first day with uniforms, bags, books and attitudes ready for a new year. How exciting to see everyone across our community being prepared for a great start!

It has been a delight to see students—from Kindergarten to Year 12—turning up ready to learn. I have no doubt that they were also excited about seeing friends again and playing around the beautiful grounds that we have, but as I spoke with and watched students, they were genuinely ready to commit to another year of growing and learning. This is a credit to the parents and carers who have provided rejuvenating, restful opportunities over the recent well-earned breaks, and have also prepared students physically and emotionally for a positive return to school. Well done!

And finally, it has been humbling to see staff members and families working in partnership to show Jesus to our students. This has happened as people have greeted, and shared, and cared, and prayed, and worked and served together. It is a privilege for me to be in a community that takes seriously this command to ‘love each other’, and in doing that to show Jesus to each other and the watching world—including our students!

I would love the opportunity to meet families more personally. I hope to be able to do that by participating in a number of events at each campus, and would certainly welcome the opportunity to speak with all families about their experience of Chairo.

I hope to be able to catch up in person over the coming weeks and months.

Simon Matthews, Executive Principal

Outlook 2016
The end-of-year magazine for 2016 has arrived from the printer today and copies will be distributed by the middle of next week to all 2016 families via the eldest child in each family.

Parent Access to Linc
New parents should recently have received login information for Linc, our learning management system. An email was also sent last week to all parents regarding how to access Linc if you don’t know your username or password.

Remember, there’s a link to Linc on the school website. If you’re having any problems signing into Linc, please contact Leslie Borg at the Drouin Campus (lborg@chairo.vic.edu.au).

In addition to all of the teaching and learning information, and details about the work requirements and progress of your children, parents will need to use Linc to read important news, book parent/teacher interviews via PTO, find canteen price lists, etc.

Chairo Buy, Swap, Sell
We have recently launched a Buy, Swap, Sell group on Facebook specifically for Chairo families. The group functions as a collective place to advertise second hand uniform items, text books and general school supplies. It is also a great place to find something that your child may require. The group can easily be found by simply searching for Chairo Buy, Swap, Sell on Facebook.

From the Senior Chaplain
Welcome back for 2017, and to our new families, welcome for the first time! I pray that God will use Chairo in 2017 to bring your child into a deeper relationship with God through His Son Jesus, the Saviour of the world.
I love teaching students of all ages about ‘teaspoon prayers’. Teaspoon prayers are a very simple way of helping students to structure their prayers. In recipes, ‘teaspoon’ is shortened to TSP:
- **T** is for thanks. We begin our prayers by thanking and praising God – for who He is, for what He’s done, for the specific blessings in our lives and for Jesus, through whom we can come to God as our perfect Heavenly Father.
- **S** is for sorry. We confess our sin to God and admit that we have rejected Him, ignored Him and fallen short of the standard that He requires of us.
- **P** is for please. We ask God for the things that are on our heart, taking care not only to ask God for things concerning us directly, but to pray for others as well.

Of course, there are other models of prayer that are equally helpful, but I love teaspoon prayers for their simplicity. Everyone from Prep to Year 12 can benefit from remembering TSP in their prayers.

This leads me to invite you to our Parent Prayer Groups for 2017! We would love you to join us for parent prayer at Leongatha or Drouin on Mondays, and Pakenham on Tuesdays. Arrive when you can, leave when you must. If you have young children, you are more than welcome to bring them with you.
Whether you come to our parent prayer meetings or not, thank you so much for your prayer support for Chairo in 2017! *The prayer of a righteous person is powerful and effective.* James 5:16

Medon Loupis, Senior Chaplain

Bushfire Plan
It’s a good idea at this time of the year for all families to be familiar with Chairo’s procedures for dealing with the risk of bushfire. Information can be found in the Community section on the school website.

Welcome to 2017
Welcome back, everybody! Our Pakenham Campus started the year with a record number of 711 students enrolled, and we are praying that each and every one of them will have a wonderful year. We trust the Chairo community can really provide the care and challenges that each student needs to develop their God-given potential.

I particularly wish to welcome the students, staff members and parents who are joining the Chairo community for the first time. May you find friendship, encouragement, purpose and opportunity in our community!

I’m settling into my new role of Principal and am thoroughly enjoying getting to know more parents and students. I’m also very thankful for the capable and passionate staff team that make it all happen!

In 2017, users of Bald Hill Road will experience altered traffic conditions. Melbourne’s High Capacity Metro Rail infrastructure developments involve the construction of a large train stabling and service yard at Pakenham, which will be accessed via Bald Hill Road. During the construction phase, we may experience more truck traffic and traffic management. Please be mindful of this increased traffic, and allow a little extra time when coming to school to make things go smoothly and safely.

We will have construction of our own going on in 2017 and in due course I look forward to sharing with you the next stage of our Master Plan developments.

Thank you for your partnership in this wonderful task of raising and educating children. God’s richest blessings to you all.

Pete Wells, Pakenham Campus Principal

Parent Teacher Interviews
Parents of students in Junior School and Middle School have recently received an email regarding parent teacher interviews, scheduled for this evening (Thursday 9) and Tuesday 14 February from 3.30–8.00 pm.

Junior School teachers will conduct their interviews in their individual classrooms, while Middle School teachers will be located in the Library complex. These interviews are a wonderful opportunity for teachers and parents to get to know one another and share vital information.

Bookings for Parent Teacher Interviews can be made using the PTO system. To access the PTO system, please log in to Linc, select the Pakenham icon, choose Parent Links and then select Pakenham. When the PTO home page appears, select Obtain PIN. Your personal PTO login details will then be emailed directly to you. Please note, the PTO system will close for parent access at 1.00 pm on the day of each interview session.

School Photos
Students in Prep to Year 12 will be having their annual school photos taken on Friday 17 February. Order forms were sent home this week.

Photo orders and payment can be made online at schoolpix.com.au or alternatively, an envelope for cash payments can be collected from Reception. Families wishing to have a sibling photo taken can also collect the appropriate envelope from Reception prior to the day. Please note, payment and sibling photo envelopes are to be handed directly to the photographer on the day.

Annual Twilight Family Picnic
An invitation is extended to attend our annual Twilight Family Picnic. This picnic is a wonderful opportunity for families to connect in fellowship together.

This will take place on Friday 24 February from 5.30 pm on the Junior School lawn. Families are asked to bring a picnic dinner, sunscreen, chairs, picnic blanket and a sun umbrella if they wish.

There will be family games, free popcorn, icy poles and more! Sausages and soft drinks will be available for purchase. Sausages are priced at $1.50 and soft drinks at $1.00. We look forward to seeing you there!

New Parents Coffee and Dessert Evening
Parents who are new to Chairo this year will soon receive an invitation to attend a special evening being held at the Pakenham Campus on Tuesday 7 March at 7.30 pm. This relaxed and largely informal evening will provide a wonderful opportunity for new parents to meet each other, together with the Executive Principal, Board members, Campus Principal, Heads of School and others.

Hats
A friendly reminder that Chairo has a clear Sun Protection Policy, which stipulates that hats are compulsory for all students in Terms 1 and 4.

Swimming Carnivals in 2017
Swimming carnivals will be held at various venues over separate days this year.

Students in Years 3–6 will have their carnival at Kings Swim Centre in Narre Warren South. Years 5–6 students will participate in their carnival tomorrow, Friday 10 February from 12.00–2.30 pm and the Years 3–4 carnival will be held on Monday 13 February from 12.00–2.30 pm.

Students in Years 7–12 will have their carnival at Dandenong Oasis on Tuesday 21 February from 10.00 am – 2.00 pm.

Please note that students in Prep – Year 2 will enjoy their carnival later in the year. There will be more information closer to the event.
Years 3–6 Swimming Lessons
The remaining dates for Years 3–6 swimming lessons are Tuesday 14, Wednesday 15, Thursday 16, Monday 20 and Tuesday 21 February.

Volunteers and Parent Helpers
Please be advised that some added procedures are in place for parent helpers and volunteers. To ensure all our current and prospective parent helpers and volunteers are informed, a morning tea will be held on Tuesday 28 February at 9.15 am as an option if available. A letter outlining specific information will be provided shortly.

School Banking
Banking slip books are collected every Friday for Prep to Year 8 students. Alternatively, they can be dropped off at Reception during the week. School banking has a number of benefits and all students are invited to take part.

It is a great way for students to learn the value of money. They are encouraged to save regularly using the Dollarmite reward scheme, with every ten deposits earning a redeemable reward. It is easy to bank at school. There are no account fees, accounts earn bonus interest, and account balances are confidential.

For joining enquiries, please contact Reception.

Swimming Clinic
Selected students are participating in a morning swimming clinic this term conducted by Jane Ward and the Physical Education department. The clinic aims to increase student swimming ability and prepare them for competitive swimming. The clinic runs from 7.00 – 7.45 am at Cardinia Life. on a Tuesday morning. The remaining session will run each Tuesday from 14 February to 21 March.

Year 7 Immunisations
The first round of Year 7 immunisations will take place on Monday 20 February between 9.00–11.00 am.

Immunisation cards and a letter were sent home at the end of last year. Please ensure you fill in the cards and return them to Student Reception, even if you do not wish your child to be immunised, as the council needs to record all consents and declines.

Thank you for your help and participation in this process. If you have any enquiries, please call the Cardinia Shire Council on 1300 787 624.

Please note the remaining immunisation rounds will be held on Monday 8 May and Monday 28 August.

Music Department News
Welcome back to Music at Chairo! Get involved and don’t waste your God-given talents!

The music program at the Pakenham Campus aims to provide students with quality, meaningful music education, enriching the lives of young people and equipping students with the skills to continue their music-making well beyond the classroom while instilling a lifelong love for music.

As part of the Private Instrumental Music Program, students are able to learn the flute, oboe, clarinet, saxophone (conditions apply), bassoon, trumpet, trombone, tuba, euphonium, french horn, voice, violin, viola, cello, double bass, piano and guitar (conditions apply).

All students learning an instrument are able to join any of the various ensembles and bands at no extra cost when able. The music program is an important supplement to your child’s education and allows for participation, involvement, inclusion, creativity and cross year level mentoring.

There are numerous groups that are available to students to extend beyond their lessons.

Music Diaries
These diaries are an important communication tool between parents and teachers and last for approximately two years. We strongly encourage parents with students in the Private Instrumental Program to purchase a music diary. These diaries are at a cost of $10.00, payable at Reception and collected at the Music Department.

If you have any questions please do not hesitate to contact Kim Thomsen at kthomsen@chairo.vic.edu.au. We look forward to another wonderful year in music making.

Dear Parents/Guardians,

To assist with continued provisions of food for our CHELP Programme, we are having a crazy hair day as our treat day for Term 1. **Thursday 2 March 2017**

Students may come in free dress with a ‘crazy’ style of hair.

Cost: We are asking students from each class to bring in a particular food item to go into CHELP’s food bank. (Please see reverse side for your classes’ food item)

**What is CHELP?** Chairo Community Help Program.

Part of Chairo’s vision is ‘to cultivate community that reflects the love of Christ’ and we believe that assisting families in times of need with food parcels and meals can help. With your valuable support, we aim to build up a supply of basic food hampers that the school can give to families when assistance may be needed. We look forward to your contributions.

We hope you enjoy this special day!

Yours in Christ,

Your Parents & Friends Committee
To avoid repetition of food items we have a list of various foods for each class to bring.

Please bring this item(s) to class on treat day – Thursday 2 March 2017
